We can accommodate a small intimate event as well as an event up to 1,000 people.

What is included in the venue rental?

The Tasting Room, Gazebo and Pavilion (along with tables and chairs for the event) will be priced a la carte, so as to not over price smaller groups or under price larger ones. All setup and breakdown of tables and chairs are included, unless rented from an outside vendor. We also provide a six person golf cart driven by an ACV staff member to help transport guests as needed.

Can I use *Autumn Creek Vineyards* grounds for my engagement and bridal photos?

All guests and personal items must be cleared out of the event space no later than one hour after the event or no later than midnight (whichever comes first).

Can I bring in my own food?

No, we require a licensed caterer to provide all food. We have a great group of Pro Partners listed on our website or you may choose any other caterer at no additional cost.

Are there any decorating restrictions?

Decorating is permitted on the day of your event anytime after 11am; please schedule this with your Event Manager. Decorating may be scheduled 24 hours in advance if no other event is scheduled the day before your event. No open flames are permitted in The Pavilion. All candles must be in glass or metal containers; however we highly recommend battery operated candles. No nails or pins are to be placed in our wood. **NO SPARKLERS, CONFETTI, OR FIREWORKS!**

Is there a dressing area for the bridesmaids and groomsmen?

Yes, visit our website cabin page to learn more about renting The Cabin in the Vines and The Cabernet Cabin.

What happens in inclement weather?

The decision to go inside The Pavilion or The Tasting Room depends on the size of your event and the decision will be made at least 2 hours in advance of your event. This will be discussed and decided along with your Event Manager.

Do you require an event/wedding coordinator?

We do not require it, but we **HIGHLY** recommend you to have your own personal planner. **Autumn Creek Vineyards** will have an on-site Event Manager to assist with venue planning questions and concerns only. You and or your planner are responsible for the organization of services, deliveries, and setup/breakdown of offsite vendors and/or supplies. We are happy to give recommendations for event/wedding planners upon request.
